### Clear Vinyl:

Our Adhesive Clear Vinyl uses a 3.1mil clear PVC film that has an outdoor durability of 4 years. The backing uses a clear permanent adhesive. Adhesive Clear Vinyl is ideal for transparent flat surface applications. Colors are printed in high density for visible appearance. The decals can be removed and reapplied once they have been adhered to a surface, but will become permanent over time.

Resolution: Digitally printed at 1440 x 720 resolution. Printed on one side only.

Usage: Indoor or Outdoor; Waterproof and UV safe that will last for years
