SIGN AID

White Expanded PVC:

PVC Poster signs are perfect for making short term outdoor and long term indoor advertisements. The boards are water-resistant and the print is UV-resistant. These inexpensive substrates come in 3mm thickness to fit most display stands.

Features:

- Maximum size 48" x 96"
- Digitally printed at 1440 x 720 resolution
- Double side printing is available
- Indoor and short term outdoor use, waterproof. Will yellow with time in the sun.
